We're Looking for a Solid IT Professional Who Can Complete Internal Projects Plus Do Professional Services Work for Our Clients. Is That You? If YES - Let's Talk!

If you're looking for an opportunity as an **IT Professional** with a local network integrator, enjoy a challenging and fast-paced work environment and are looking for an opportunity to both work on internal projects as well as with external clients ... then take the next few minutes to learn more about an opportunity with Optrics.

What You Will Be Doing:

You will be responsible for working with our Technical Services Manager on designing, managing and maintaining our current IT infrastructure.

Provide professional services to our local clients.

Assist our sales team with pre-sales technical questions with their prospects and clients.

Your Keys to Success:

To succeed in this position we are looking for:

- Have 5+ years of solid network administration experience (including VoIP, WiFi, virtualization, MS Exchange, network storage and firewalls)
- Ability to play multiple roles (network admin, consultant and sales engineer)
- Enjoy working in an entrepreneurial environment
- Fluency in spoken and written English
- Solid established computer and organizational skills
- A post-secondary degree or diploma plus vendor certifications including Cisco, VMWare & Microsoft
- A high degree of motivation and discipline

If you have what it takes to succeed and would like to apply ... why wait! Submit your cover letter and resume to us today!

Your Compensation:

We provide a competitive salary based on experience.

6810-104 St, Edmonton, AB, T6H 2L6 Ph: 1-877-430-6240 Fax: 780-432-5630
1740 S 300 W #10, Clearfield, UT, 84015 Ph: 1-877-386-3763 Fax: 801-705-3150
